Date	Brief Description	# Committee Members	# Additional Volunteers	# Volunteer Hours
No Meeting	Temporary Chair was gone and Committee	0		
	Member conflicts did not allow			
	Meeting to be held in May			
Additional Information				
New Business:	None			
Old Business:	None			
Finances:	N/A			
Notices/Reminders:				
Requests/Needs:	The Committee has specified requests in the minutes to get up to speed on the historical maintenance. The Committee would like a Sieve Analysis report ASAP on the material stockpiled at basecamp to determine acceptability of application and specific locations.			
Next Meetings:	June 13, 2023. The May 13, 2023 meeting was held and minutes are also submitted. There are actions that are requested from the BOD. June meeting is scheduled for June 10. It is suggested that a meeting of the BOD with the Road Committee be scheduled asap to ensure proper presentation and exchange from the members of both the committee and the BOD.			
Events/Activities Scheduled:				
Website Updates:	Please update the roster on the Crystal Website to reflect as follows on the next page.			
Additional Comments:	<p>The Committee Co-Chairs reached out to inactive members of the group.</p> <p>Ron Kembel has agreed to be removed – due to his unavailability. The Road Co-Chairs have added Doug Hoff to the committee – per the Road Committee Charter. He should be removed from the Subject Matter Experts Committee.</p> <p>It <u>is again</u> requested that Fred Barlow – RF Excavating be added to the SME Committee. He is not a voting member of the Committee – and his expertise should be utilized and is invaluable.</p>			

Committee reports are required by Colorado SB100. Please complete a report for each calendar month, save it, and then email it to [redacted]@crystal-lakes.org by the 2nd Saturday of the following month so that it can be included in the packets for Board members to review prior to their scheduled meetings. Thank You!
